Self-motivated, passionate and team oriented individual, driven by the personal objective in quick learning new technologies, advancing soft skills, with expertise in utilizing analytical thinking and to ensure that the business enjoys a sustainable business result.

Work Experience

Software Quality Assurance Engineer Intern

(06/2018 – 07/2019)

CAMMS, WTC, Sri Lanka

cammsStrategy

cammsstrategy is a corporate performance planning and integrated management software that offers a single system for strategic, corporate, business and service level planning linked to budgets and performance measures (KPIs and scorecards).

SYCLE

SYCLE has been developed on proven conceptual frameworks that fully integrate management functions including strategy development, business and service delivery planning and implementation.

Skills Developed

Analyzed business requirements and test designing. Managed QA Test environments, executing manual and automated test, Defect Management, Test results reporting, Coordinating and Managing Client releases, Conducting Internal Trainings.

Tools and Technologies

- MS SQL Server and IIS for managing the QA test environment.
- Telerik Test studio, Selenium, C# for Test automation.
- Mantis for Defect tracking.
- TestLink for Test case management.
- JMeter

Education

BEng (Hons) Software Engineering 2017-2020

Passed with Second Class (Upper Division) Honors
University of Westminster Campus
Informatics Institute of Technology, Sri Lanka

B.Sc (Undergraduate) 2017-present

Major in Computer Science and Statistics
University of Sri Jayewardenepura

Primary & Secondary Education 2002 – 2016

Hindu College, Colombo-04

GCE Advanced Level Examination B, 2C

General English, GIT	A
General Knowledge	75%

GCE Ordinary Level Examination 9A

Professional Qualifications

Dip.LCM (04/2018)

London College Music
Studying in DaCapo IAS 2007-present

CIMA-UK (09/2016 - 02/2017)

Studied CIMA Cert BA

Certifications

Google mobile site certification

(2018-2019)

Senior Certificate in Western music (2012)

I.W.M.S.

Senior Certificate in English (2012)

I.W.M.S.

Technical Skills

Programming languages:

Java, Python

Web Development:

HTML, CSS, JavaScript, FLASK

Databases:

MS SQL, MySQL

Cloud platform:

AWS, Azure

Soft skills

- * Teamwork & Quick Learning
- * Communication & Curiosity
- * Leadership & Time Management

Languages

ENGLISH LANGUAGE

Full professional proficiency

SINHALA LANGUAGE

Working proficiency

TAMIL LANGUAGE

Native or bilingual proficiency

Notable Projects

Histopathologic Cancer Detection using Deep Learning (Final Year Project - IIT)

An assistant for pathologists (web-based application) to detect breast cancer, a CNN model built from scratch using keras and a was connected to UI using FLASK.

EWMonitor

An IOT device to monitor household water and electricity usage and predict the usage bill amount and control electrical devices using mobile application.

Animal Intruder System

An eco-friendly device (IOT) which will identify different kinds of animals by image processing and sound processing and emits dreadful ultrasound according to the animal to chase it and discourage it from returning and send notification to the mobile app.

Leadership and extra-curricular

Co-founder The Deziign Agency (2017 – Present)

Free-lancing **photographer/Videographer** (2012 – Present)

Member of **Rotaract Club of IIT - Media unit** (2017 – Present)

Participant in **Guinness World Record** for the largest keyboard ensemble (2012 - 2013)

Served as **prefect** in school (2007 – 2012)

Vice president Leo club of Hindu college (2011 - 2012)

Represented school **Football team** (2010 – 2011)

Secretary Math union of Hindu College (2014 - 2015)

Saxophonist in School Western Band (2010 - 2015)

Competitions and workshops

IEEE Xtreme 11.0

Participated in the International 24-hour Coding Competition hosted by IEEE

Mini hackathon 2017

The biggest Intra University Hackathon of IIT

Word Camp Colombo 2017

Attended as a delegate to witness the tech talks of global WordPress leaders

IEEE Poster hack 2017

Participated for an ideathon held on IEEE day
